

ALL SCHOOL MESSAGE SYSTEM

Dear Notre Dame Academy Parents,

We have a messaging service which enables us to personally communicate with parents about emergency situations, school events, and important issues impacting your child. It allows us to send personalized voice messages to your family's home, work, or cell phones. We are able to reach everyone within minutes.

It is important that we have all of your current telephone numbers and e-mail addresses so that you will not miss out on any important communications. Please help us ensure we have your current information, and indicate on the form on the reverse of this page what phone numbers you want included for all routine messages. ALL phone numbers will be used in the event of an emergency.

Due to the emergency contact feature of this program, participation is mandatory. All personal information will be maintained in the strictest confidence.

It is an honor to serve you and your children here at Notre Dame Academy. We look forward to connecting with you more effectively in the future.

Yours in union with Christ and His Blessed Mother,

**Sister Marie Pascale
President/Principal**
